

DALMATIAN

You'll need:

Sponge
White, black and bright red face paints
Face painting brush

Step 1

Using a damp sponge and white paint, apply a base coat to the whole face. Make sure the eyes are kept tightly shut.

Step 2

Step 2
With black paint and the brush, draw on some patches: around one eye, on the chin, cheeks and forehead. Add an eyebrow over one eye. Paint the nose and mouth, and add whiskers.

Step 3

Using bright red paint and the brush, draw on a small tongue hanging out of the corner of the mouth.
