

Fundraising Ideas with a Dog Theme

Thank you for offering to raise some money for Dogs for Good. We have leaflets, posters, stickers and collecting boxes which you can have to help you with your fundraising.

Dog Walk & Picnic

Charge a registration fee (Suggested charge - £3 per person) and send out sponsor forms. Set a start time of 11am aiming to finish at about 12 noon, then it's picnic hamper time!

Even if you don't have a dog, you can still join in – or borrow a friend's dog! Remember to bring extra water and poo bags for the dogs, and plenty of black dustbin bags to tidy up afterwards.

If you'd like to organise a larger sponsored walk, please get in touch and we can send you a dedicated 'How-to' guide.

Novelty Dog Show

Categories can include – prettiest bitch, handsomest dog, waggiest tail, best puppy (under 12mths old), best senior (over 8yrs old), best cuddly toy (for those that don't have a dog and want to take part). Ask your local vet/town mayor or councillor/headmaster to do the judging.

Charge a registration fee (Suggested charge - £2 per category, or a max of £5 if entered for three or more categories). Set a Registration time from 10am, with the first category starting at 10.30am – aim to finish your event no later than 3/3.30pm.

Temptation Alley

A dog race with a difference which can be done both indoors or outside. Create a maximum of three straight "alleys", no more than 30ft long, lined with a variety of "temptations" set about 3ft apart (dog treats (cheese/kibble/sausage, etc), toys (balls/squeaky/soft, etc), water bowls, etc). The idea is for the dog handler to be at the far end of the alley and their dog at the other end. They call their dog to them – the winner is the dog that gets to the dog handler first and not be distracted by the temptations either side of them! Suggested charge - £2 to enter.

Guess the Dog

Ask your members to submit photos of their pooches when they were cute pups, either pin them to a board or scan them to create quiz pages - Suggested charge - £1 to submit a photo and £1 per quiz sheet.

Musical Chairs/Sit

Dog version of Musical Chairs – walk around in a circle with chairs on the inside, when the music stops each person sits on a chair and asks their dog to sit, the last person and corresponding dog sitting is OUT. Suggested charge - £1 to enter.

Doggy Pass the Parcel

Every time the music stops, you ask your dog to remove some of the packaging. Winner gets a nice treat at the end. Suggested charge - £1 to enter.

Pick-up Dogs

Each entry is allocated an equal sized box/basket together with 10 diverse items ranging from easy to hard (ball, squeaky toy, rubber bone, glove, duster, remote control, tea-towel, tin can (size dependant on size of dog), bag of dog treats, slipper). Each dog is asked to pick up and place/drop each item into the box. Winner is the dog that completes the task the fastest – oh, and handlers, you can only use hand/voice commands, you cannot touch any of the items! Suggested charge - £2 to enter.

Big Dogs' Breakfast

Host your “Breakfast” (or brunch, or whatever), include some of the ideas listed above and help us raise funds for our wonderful charity. You can also download materials from our website:

Some Do's and Don'ts

Whilst the charity wishes to encourage voluntary supporters to inject their own personalities and ideas into fundraising activities, the Trustees would not wish the charity to be associated with activities that could bring the charity into disrepute, or for you undertake any hazardous activities, such as bungee jumping or parachuting, without appropriate insurance cover.

If you have any questions, need more ideas, or want to order some fundraising materials, then please get in touch.
